

It's been another busy year for the Redwood Beaver Scouts, with many badges earned and happy memories made.

We started by earning our Disability awareness Activity badge

In May, some of the Beavers had the opportunity to try out sailing on the Loch of Skene, so earned their Stage 1 Time on Water award. We also worked towards our Outdoor Challenge by putting up a tent, having a Sausage sizzle, trying our hand at Pioneering and exploring the Arnhall Moss.

We've done Safety and Emergency Aid, Badges, gone Tracking and completed the Global Issues Badge by making Water filters, learning about Endangered Animals and Fairtrade.

After The October holidays, we focused on our Teamwork Challenge by working on co-operation and leadership skills. We also had a St Andrew's night with Kerry's amazing shortbread and Irn Bru.

At the start of this year, we had a Chinese evening with Lee Aaron and their mum Violet telling us about how they celebrate New Year and showing us some Chinese dancing, then all the Beavers had a chance to try it out. Many of the Beavers have also achieved Activity badges, with the Cook, Sports, Hobbies, and Collector being popular. There have been some new Activity Badges added recently, we look forward to presenting some of them soon.

&

so

Thanks to all who helped out this year.

**Eva, Kerry, Tracey, Sean & Jonathan**
