

Over the months, we have been very busy Beavers at Lyne Of Skene. A healthy Parent's Rota has been keeping us afloat (A HUGE thank you to all involved!!!) We are, however, still crying out for more people to join our Leadership team. If anyone is able to lend a hand on a more regular basis, we would be delighted to meet you. We do like a sing-song, with chants & "repeat after me songs" featuring as part of our regular activity schedule. Here's a wee ditty to let you know what you're missing:
